**MARGOT** · Sofa · Munna

This mid-century styled sofa develops an exquisite dialogue between horizontal and vertical shapes. The six feet and geometrical back sections convey an architectural feel, with a detailed build and interplay between forms. It is nothing but trademark Munna: exuberant yet curated, filled with quiet details that wouldn't be out of place in haute couture. Its indulgent seat is perfect for living spaces in need of some poised relaxation.

**MELODY** · Chair · Munna

# GINGER & JAGGER

Pearl · Wall Lamp · G&J

The Pearl Wall Lamp is a poetic handcrafted tribute to Nature's mysterious ways. The piece, made in marble and metal, represents one of its quintessential attributes – serendipity. The magnificence of pearls, when produced naturally by oysters, is as breathtaking and it is exquisitely rare. The Pearl Wall Lamp's marble shape is carved by hand, making each piece, much like a natural pearl, an absolutely unique sculpture.

Magnolia · Sideboard · G&J

Standing on top of a magnolia tree branch molded in brass casting, the Magnolia Sideboard symbolizes Nature's foundational role in all creation. The sideboard has four compartments, one with four sliding drawers.

Munna's collections are an homage to the profound heritage of craftsmanship, a tribute to meaningful design with lasting appeal, blending a carefully and exquisite range of selected materials and finishes, created to infuse the feel of a higher form of living. Founded in Porto in 2008, Munna is a furniture design brand renowned for its sumptuous upholstery pieces, present in over 40 international markets in residential, commercial and hospitality projects. Munna's designs are acclaimed by specialized publications targeted at interior designers, architects and design curators. Munna is now presented in showrooms in Europe, Russia, Middle East and Asia, Istanbul and USA.
