PORTO | Portugal | 2018 | **Munna** and **Ginger & Jagger** are debuting brand new handcrafted designs in a curated space designed for Paris Design Week, at **Maison & Objet**, from 7 to 11 of September, Hall 7, Forever Signature, Stand D204-E203.

Munna introduces a new product range to its collection with the Josephine L Bed, an Art deco influenced design, with generous curvy lines and tasteful appeal. The new exquisite design is presented alongside contemporary furniture by **Ginger & Jagger**, such as the brand new Perdiz Bedside, the intricate Lotus Floor Lamp and the award winning Landscape Desk, shown for the first time in Ebony Amara Wood Veneer. The conceptual bedroom is a celebration of pure haute culture and handcraft, and a testament to **Munna's** unmistakable flair and playfulness and Ginger & Jagger sculptural presence.

Munna and **Ginger & Jagger** are presented across more living spaces. The dining area is infused with charismatic design statement as the unique Bananas Floor Lamp and the colossal Rock Dining Table by Ginger & Jagger, paired with the sculptural presence of the Mary Q Chairs dressed in Munna's brand new collection of textured fabrics.

The lounge area is filled with a line-up of fresh aesthetics — the Art Deco style Fringes Sofa and the smooth Melody Armchairs, by **Munna**, and the blooming Lily Coffee Table, one of **Ginger & Jagger's** most recent creations. The poetic yet functional interior signed by **Munna** and **Ginger & Jagger** elevates contemporary design through the choice of superior materials, attention to detail and curated composition of the designs.

Munna and **Ginger & Jagger** will be presenting the new designs at **Maison & Objet**, from 7 to 11 of September, Hall 7, Stand D204-E203.

JOSEPHINE · L Bed · Munna

Channeling the aesthetic of the Art Deco movement, the Josephine Bed features a wonderfully elegant fan-shaped motif, with its accentuated curvy lines with decadent and lavish finish. The feminine curves are ravishingly enhanced by the pipping. This fully upholstered bed is made for dreaming.

FRINGES · Sofa · Munna

Fringes draws on the signature Franjas fashion theme, ruffling the scene and inviting guests with its fun and flirtatious feel. The three fringes run along the front and reverse of the wide seat, set against a curved backrest that completes its classic appearance.

GINGER & JAGGER

LANDSCAPE • Desk • G&J

The distinctive Landscape Desk initiates a design tension between rough and smooth, straight lines and faceted shapes. It's novel metal structure is the foundation from where mountains and hills arise, reimagined in its silhouette. The desk devises a panoramic setting that can be appreciated from any vantage point.

BANANAS • Floor Lamp • G&J

Bananas brings to life the banana tree, with its elongated curved shape hosting hand-turned brass leaves. Emerging from a circular marble base, each leaf is connected to separate lighting tubes and features a uniquely chiseled texture, allowing the light to be both reflected and diffused along the surface, culminating in a stand out piece for any living space.

Munna's collections are an homage to the profound heritage of craftsmanship, a tribute to meaningful design with lasting appeal, blending a carefully and exquisite range of selected materials and finishes, created to infuse the feel of a higher form of living. Founded in Porto in 2008, Munna is a furniture design brand renowned for its sumptuous upholstery pieces, present in over 40 international markets in residential, commercial and hospitality projects. Munna's designs are acclaimed by specialized publications targeted at interior designers, architects and design curators. Munna is now presented in showrooms in Europe, Russia, Middle East and Asia, and, most recently Istanbul.
