

Munna and Ginger & Jagger present - Reflections

The brands launch new designs at iSaloni

Munna's first meditation chair, and Ginger & Jagger's all glass sideboard.

PORTO, Portugal | March 2023 | **Munna**, renowned for creating handmade upholstery with unmatched craftsmanship, is launching the **Pema Meditation Armchair**, a vessel for wellbeing. **Ginger & Jagger's** nature inspired handcrafted contemporary design is debuting its new **Clarity Sideboard**, in glass, at **Salone del Mobile**, Hall 6 Stand C37, in Milan.

Munna's Pema is more than an armchair. It is a temple for meditation and enlightenment. Designed to be used in your place of choice for a retreat, be it a spa, a meditation space, a place of spiritual significance, or just the home, the Pema is shaped as a cocoon for the body, mind and soul. The soft seat is scaled to be ideal for a Full Lotus posture, and can also be used as a conventional, comfortable armchair.

Paula Sousa, CEO and Creative Director of the brands, describes it as *"something I've been looking for a while now, and didn't find – a beautiful meditation armchair, that can also be used in a conventional way. I can envision it in a spa, in a home, in a hotel overlooking the sea...Or even in an office. **Munna's** imprint is on the **Pema**, uncompromising and memorable. I feel we have a something of value to add to this niche".*

Ginger & Jagger's new **Clarity Sideboard** is handcrafted in glass, and featuring three glass doors and four glass drawers. The **Clarity** is a structural wonder, laid upon a metal foundation, expanding the brands collection, within its ethos of collecting inspiration from Nature and elevating a mimetic approach to a poetic and abstract examination of shapes and concepts, through functionality and fostering craftsmanship.

Paula Sousa, describes the **Clarity** as a labor of love, and a long time coming: *"I've had a vision for years of a see-through sideboard, that was a step forward in our design language, but also very much within the aesthetics that make the brand unique".*

The brands will introduce new designs at Salone del Mobile, and in the coming months.

Clarity Sideboard

The Clarity Sideboard is completely see-through, in glass. Its presence is serene, as if filtering and cleansing the ambient and the objects it can contain. The Clarity does not hide. It is transparent. It celebrates our totems, displaying and sheltering them. Handcrafted in glass, and featuring three glass doors and four glass drawers, the Clarity is a structural wonder, laid upon a metal foundation. As in Nature, there is awe in what is seen and not seen.
