

MUNNA LAUNCHES FIVE NEW DESIGNS AT SALONE DEL MOBILE

“Atmospheres” is the new showcase by
the award-winning Portuguese brand in Milan

PORTO, Portugal | April 2024 | **Munna**, renowned for creating handmade upholstery with unmatched craftsmanship, is launching **five new designs** on **Hall 14 Stand B32** at **Salone del Mobile**, in Milan, 16-21 of April.

Munna's new classics approach to design is embodied in the new pieces. **Paula Sousa**, founder and creative director, describes the new armchairs, and particularly Roy Armchair's impactful silhouette as: "suitable for environments that inspire extreme relaxation, a one-piece seat that is particularly ergonomic and comfortable". The **Roy** is grand, curvy and charismatic. While wholly different, the also new **Camille Armchair** is expressive in the forms and the pleated upholstery details that enhance its signature curvaceous form.

For dining and other living spaces, the brand has three new proposals. The **Grace Chair**: "is for the aesthetes", reveals Paula. The backrest is an ode to the silhouette of the classic feminine dresses of the middle decades of the 20th century. The proportion and balance of the seat and legs is full of intent, in a design that appears entwined with its name.

The new **Coleman Bar Stool** has a definite retro feel with contemporary lines. Functional and exuding savoir-faire, the **Coleman** features exposed legs supporting a wing-shaped padded backrest, and platformed seat elevated from the structure. Definitely a standout element in a bar, making its presence felt effortlessly.

And the new cute stool, another hallmark of **Munna**, is the **Petit Four**. The design is a duet of interlacing shapes in a dynamic pose that induces a sense of movement. The seat is soft, and the upholstery lines emerging from the base to the top bestow the **Petit Four** with an effortless flowing figure. A piece designed to be smitten by, in any living space.

The brand has been expanding its collection, while keeping its focus on sustainability. The made to order approach, alongside multiple internal initiatives, are part of its commitment to diminish its carbon footprint and impact. Munna's endeavours are developed in deep coordination with the artisan ateliers that handcraft the products.

Munna is exhibiting alongside *Ginger & Jagger* at **Salone del Mobile Milano, Hall 14 Stand B32**, 16-21 of April.
